Dear Parents/Carers,

Please ask your children about what they have learnt during this week, during Aspirations week . The children have had a week filled with visitors, virtual tours and informative lessons. Some year groups have even toured a university campus. Some of the visitors have included: Business developer for Chelmsford Football club, Police officer, Computer coder, Ford engineers, Fire officer, Nurse, Pharmacist, DJ and lots more. We would like to thank all of our visitors who have given up their time this week to tell the children about how great their job is.

After half term , we are asking that the children to leave their footballs at home and the school will provide balls for the children to play with. This will help us to control the number of games that are going on and reduce the number of incidents and accidents that are happening.

A few parents have now asked if we are doing anything with the children to remember Mrs Mist, who sadly died earlier this week. After half term we will send out details of what we intend to do.

Have a great half term

Mrs Bray
